

CALL FOR PAPERS

APFITA 2019

FORESEE GLOBAL TREND IN NEW HORIZON OF ASIA-PACIFIC SMART AGRICULTURE

DATE: October 29, 2019 ~ November 1, 2019

LOCATION: FENG CHIA UNIVERSITY, TAICHUNG, TAIWAN

APFITA 2019 is the premier interdisciplinary platform for new advances and research results in the fields of Asia-Pacific agriculture. As agriculture is undergoing massive transformation across the globe because of digitization, the conference aims to bring together leading academic scientists, researchers, practitioners and government agencies to exchange and share the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of global and Asia-Pacific agriculture.

IMPORTANT DATES

February 15, 2019 Opening of online registration and abstract submission

May 10, 2019 Deadline for abstract submission

May 24, 2019 Notification of acceptance

August 16, 2019 Deadline for long abstract submission

August 30, 2019 Deadline for early bird registration

October 18, 2019 Deadline for regular registration

October 29, 2019 Conference

TOPICS OF INTEREST

1. ICT applications in Agriculture and Social Sciences
2. Agricultural Data Management and Sustainable/Resilient Agriculture
3. Geospatial Technologies in Agriculture and Natural disasters
4. IoT Technologies and Services for Digital Farming
5. ICT for Agricultural Development
6. Plant Phenotyping & Agricultural Bio-informatics
7. Agri-Sensor Networks and Applications
8. Decision Support Systems for Farmers
9. E-Business in Agriculture
10. GIS for Agriculture and Natural Resources
11. Image Processing Technology for Farming
12. Data Base Systems for Agriculture and Natural Resources
13. Wireless and Sensor Networks/Rfid in Agriculture and Animal Industry
14. Environment Control in Agriculture

15. Precision Agriculture
16. Modeling and Simulation for Agricultural Production
17. Big Data Analysis for Agricultural Production and Consumers
18. Agricultural Information System
19. ICT applications in natural resources management
20. Agricultural Applications of Cloud & Service Computing
21. Remote Sensing and GIS Applications

CALL FOR ABSTRACTS

Authors are invited to submit abstracts relating to the topics of interest. The abstracts and long abstracts should be written in English (in MS Word or PDF format). All abstracts should be structured as follows:

Title: title should be short, preferably less than 15 words

Content: all abstracts should be clear. Abstract should be at least 500 words and long abstract should be at least 1500 words

Author(s): contact details of the author(s) (name, organization/company, phone/fax no., email and full postal address)

Keywords: provide up to 5 keywords
